

Application No. 09/470,787
Amendment dated: April 7, 2004

Remarks/Arguments

Section 1.312 of the Manual of Patent Examining Procedure (MPEP) states that:

No amendment may be made as a matter of right in an application after the mailing of the Notice of Allowance. Any amendment filed pursuant to this section must be filed before or with the payment of the issue fee, and may be entered on the recommendation of the primary examiner, approved by the Commissioner, without withdrawing the application from issue.

The Applicant wishes to submit the above amendment for consideration under this section. A clean set of claims incorporating the Examiner's Amendment, and all prior amendments has been provided above. A re-ordering of the claims has been affected to consolidate claim groups. No new claims have been added, and no claims have been removed. To illustrate the re-ordering, the following chart providing a correlation between the original and renumbered claims is provided.

Original Claim #	Renumbered Claim #	Original Claim #	Renumbered Claim #
1	1	18	11
2	(cancelled)	19	18

Applicant submits that no new matter has been added, and that no amendments to the claims have been made, other than the renumbering of claims and their dependencies.
